WORD BY WORD

The Advent Path of Peace

The Promise of Peace

A Promised Ruler Would BE Their Peace

The prophet Micah foretold a ruler from Bethlehem who would shepherd his people.

Angels Proclaimed "Peace on Earth" at Jesus's Birth

This divine peace was announced to shepherds as a sign of God's favor.

God Chose Simplicity to Reveal Glory

The "Prince of Peace" was born in humble Bethlehem, not a place of power.

The Practice of Peace

Divine Peace is the Presence of God, Not the Absence of Trouble

It is a gift that provides strength and calm assurance amidst life's storms.

Jesus Gives a Peace the World Cannot

This peace guards our minds from anxiety and restores relationships broken by anger.

Peace is Active Trust, Not a Passive State

It grows when we forgive, reconcile, and choose faith over fear.
