The Order of Creation: A Visual Guide to Genesis

A visual narration of the sequential, purposeful account of creation from Genesis 1:6-31, revealing a God who brings order from chaos, forming the world then filling it with life.

Part 1: God Forms the World

**Day 2:
The Sky Appears**

**Day 4:
Lights Fill
the Heavens**

God created the sun, moon, and stars to govern day and night and mark time.

**Day 3:
Land, Seas &
Vegetation Emerge**

Dry ground and seas were formed, and the land produced seed-bearing plants and trees.

Part 2: God Fills the World

**Day 5:
Life Teems in
Water & Air**

The seas were filled with living creatures and the sky was filled with birds.

**Day 6:
Land Animals & Humanity Arrive**

The land was filled with livestock and wild animals, all according to their kinds.

**The Crown of Creation:
Humanity**

God created mankind - in His own image and likeness - to steward the earth.

**Day 6:
Land Animals &
Humanity Arrive**

The land was filled with livestock and wild animals, all according to their kinds.

The Creator's Message

“It was very good.”

God's final assessment of His complete, balanced, and ordered creation was one of joy.

You Are an Image-Bearer

Humans are created with dignity, purpose, and the capacity to know their Creator.

A God of Order & Purpose

The story shows God brings order from chaos and creates with loving intention.
